BBB AUTO LINE Participating Manufacturers

At BBB AUTO LINE, we help consumers and manufacturers settle vehicle warranty and lemon law disputes without the need for an attorney.

This dispute resolution program is free of charge to the vehicle owners or lessees of participating manufacturers. Some manufacturers participate nationally, and others only in specific states.

National Participants

Click on the manufacturer name to access details about their participation in BBB AUTO LINE, and how that participation may differ in various U.S. states.

[Audi](#)

[Bentley](#)

[Buick](#)
